Big Sky Hidden Village Condominium
Owners' Association

These Revised and Restated Bylaws for Big Sky Hidden Village Condominium Owners' Association (the "Bylaws") are adopted on this 31st day of October, 2014, pursuant to paragraph 14 of the Bylaws of the Condominium Owners Association of Big Sky Hidden Village Condominium dated April 2, 1981 and recorded as document # 84816, Film 62, Page 1200, with the Office of the Clerk and Recorder of Gallatin County, Montana (the "Original Bylaws").

WHEREAS, holders of at least 75% of the aggregate interest in the Condominium have voted for and approved these Bylaws, in accordance with paragraph 14 of the Original Bylaws.

NOW THEREFORE, these Bylaws replace and supersede the Original Bylaws, effective at the time these Bylaws are recorded with the Office of the Clerk and Recorder of Gallatin County, Montana.

ARTICLE I. DEFINITIONS

Section 1.01 All terms used herein shall have the same meaning as set forth in the Revised and Restated Declaration for the Big Sky Hidden Village Condominium, recorded on October 31, 2014 with the Office of the Clerk and Recorder of Gallatin County, Montana, or as set forth in the Unit Ownership Act, MCA 70-23-101, as amended.

ARTICLE II. THE ASSOCIATION

Section 2.01 **Establishment of Association.** The Big Sky Hidden Village Condominium (the "Condominium") shall be administered by an association of Unit Owners which shall be a non-profit corporation, hereinafter referred to as the "Association," organized under the applicable laws of the State of Montana, and responsible for the management, maintenance, operation, and administration of the common elements, easements, and affairs of the Condominium in accordance with the laws of the State of Montana and the Governing Documents, which are: the Declaration; these Bylaws; and the Articles of Incorporation. All Unit Owners and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the Governing Documents.

Section 2.02 **Purpose.** These Bylaws govern the general operation, maintenance, administration, use, and occupancy of the Condominium, and all such activities shall be performed in accordance with the provisions hereof.

Section 2.03 **Membership.** Membership in the Association and voting by Members of the Association shall be in accordance with the following provisions:

- A. Each Unit Owner, present and future, shall be a Member of the Association during the term of such ownership; and no other persons or entities shall be entitled to membership.
- B. Neither membership in the Association, nor the share of a Unit Owner in the funds and assets of the Association, can be assigned, pledged, or transferred in any manner except as an appurtenance to his or her Unit.

Section 2.04 Meetings; Quorum; Voting.

- A. There shall be an annual meeting of the Members of the Association during the first fifteen (15) days of September of each year, or on such other date properly announced by the Board, and such other meetings as provided for in these Bylaws. Notice of time, place, and subject matter of all Association meetings shall be mailed, electronically transmitted, or personally delivered not less than ten (10) days prior to the date of the meeting to the Unit Owner or the individual representative designated by a Unit Owner pursuant to Section 2.04.D, below. Notice of all Association meetings shall make provision to allow for the casting of each Unit Owner's vote by proxy at the discretion of the Unit Owner. The mailing, electronic transmittal, or personal delivery of a notice in the manner provided in this paragraph shall be considered as notice served.
- B. The Board shall meet after each annual meeting and at least once every 6 months at a time and place selected by the Board with notice thereof to be sent to each Board member. The Association will inform the Unit Owners of each Board meeting via posting or publishing an announcement of the time and place of the meeting. Any Unit Owner or the representative of any First Mortgagee of any Unit may attend any Board meeting.
- C. No Unit Owner shall be entitled to vote at any meeting of the Association until he or she has presented to the Association evidence of ownership of a Unit. The vote of each Unit Owner may be cast only by the individual representative identified by such Unit Owner in the notice required in Section 2.04.D, below, or by a proxy given by such individual representative.
- D. If a Unit is owned by more than one person, the person entitled to cast the vote for the Unit and to receive all notices and other communications from the Association shall be designated by a notice signed by all the record owners of the Unit and filed with the Secretary of the Association.
- E. Meetings of the Association shall be conducted only when a quorum is present, as defined in these Bylaws. The presence in person or by proxy of Unit Owners representing fifty (50%) percent of the undivided interest in the Common Elements shall constitute a quorum for holding a meeting of the Members of the Association, except for voting on questions specifically required herein or by law to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which meeting said person is not otherwise present in person or by proxy shall be counted in determining the presence of a quorum with respect to the question upon which the vote is cast.
- F. Votes may be cast in person or by proxy or by a writing duly signed by the designated voting representative not present at a given meeting in person or by proxy. In addition, any person entitled to vote in any meeting may also appear and vote via telecommunications equipment. Proxies shall be valid for the particular meeting designated, and any adjournment thereof. Proxies

and any written votes must be filed with the Secretary of the Association at or before the appointed time of each meeting of the Members of the Association. Cumulative voting shall not be permitted.

- G. At any meeting of the Members at which a quorum is present, a majority, except where otherwise provided herein, shall consist of more than fifty (50%) percent of the Aggregate Interests qualified to vote and present in person or by proxy (or written vote, if applicable) at that meeting.
- H. On all matters to be decided by the Association, unless excluded by the Declaration or these Bylaws, each Unit Owner shall have a voting interest equal to his or her percentage of interest in the Common Elements as set forth in the Declaration. If a Unit is owned by more than one person, the vote associated with that Unit may not be split between the various owners. It shall be the responsibility of the Owners of each Unit to appoint one person who shall be entitled to cast the vote for that Unit. Except as otherwise provided in the Unit Ownership Act, the Declaration or these Bylaws, a majority of the Aggregate Vote shall be sufficient to act on matters brought before the Association.

Section 2.05 **Association Books and Records.** The Association shall keep detailed books of account showing all expenditures and receipts of administration which shall specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and the Unit Owners. Such accounts and all other Association records shall be open for inspection by the Unit Owners and their mortgagees upon reasonable notice and during reasonable working hours. The Association shall prepare and distribute to each Unit Owner at least annually a financial statement. The books of account shall be examined on a regular basis by a qualified independent Certified Public Accountant. Any institutional holder of a first mortgage lien on any Unit shall be entitled to receive a copy of the examination report within ninety (90) days following the end of the Association's fiscal year upon written request therefore. The costs of any such examination and any accounting expenses shall be Common Expenses. The Association also shall maintain on file current copies of the Declaration for the project, any amendments thereto, and all other Governing Documents and shall permit all Unit Owners, prospective purchasers and prospective mortgagees interested in the Condominium to inspect the same during reasonable hours.

Section 2.06 **Board of Directors; Elections; Officers.** The business, property, and affairs of the Association shall be governed by a Board of Directors, all of whom shall serve without compensation and who must be Members of the Association.

- A. **Election Procedure.** At any meeting of the Association, nominations for positions on the Board will be accepted from any Unit Owner present in person or by proxy. Board members shall be elected by majority vote of those present in person or by proxy at the annual meeting. Voting shall be non-cumulative.
- B. **Number and Term of Office.** There shall be five members of the Board. Each Board member shall serve a term of two (2) years. Terms shall

commence in such a manner so that approximately one-half of the positions are eligible for election at each annual meeting. Directors shall hold office until their respective successors have been elected. Directors may be elected to serve any number of consecutive terms.

C. **Officers.** The Board shall elect from its members a Chairperson, Secretary, and Treasurer, who shall have the following powers and duties:

- 1) **Chairperson:** The Chair shall preside at all meetings of the Association and meetings of the Board and shall have such other powers and duties as are provided in the Declaration, these By-Laws, or by law and as are ordinarily exercised by the presiding officer of an association, including the appointment of committees from among the Unit Owners, and such other and further powers and duties as may be delegated to him or her by the Board or the Association from time to time.
- 2) **Secretary:** The Secretary shall record the proceedings of the meetings of the Board and meetings of the Association, shall keep such records and all other records, documents, and other papers of the Board and of the Association, and shall have such other powers and duties as may be delegated to him or her by the Board or the Association from time to time.
- 3) **Treasurer:** The Treasurer shall be responsible for the funds of the Association and shall be responsible for keeping and having kept full and accurate financial records and books of account showing all receipts and disbursements of the Association and any other financial data required by the Board or the Association. He or she shall be responsible for the deposit of all funds in the name of the Board of the Association in such depositories as may be designated by the Board from time to time and shall have such other powers and duties as may be delegated to him or her by the Board or the Association from time to time.

D. **Removal and Vacancies:** At any regular or special meeting of the Association, any member of the Board may be removed by a majority of the Aggregate Interest represented at such meeting if a quorum is present in person or by proxy. Such vacancy shall be filled by the Association. Such removal matter must be announced in the notice of such regular or special meeting.

In the event of the death, disability, or resignation of a Director, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Association shall elect a successor for the remainder of the term.

E. **Compensation:** No member of the Board of Directors shall receive any compensation for acting as such, except to be reimbursed for expenses incurred in attending Board meetings or carrying out Board functions.

Nothing herein, however, shall be construed to preclude compensation being paid to Managers who are hired by the Board.

F. **Liability of Members of Board of Directors:** No member of the Board shall be liable to the Association or any of the Members or Unit Owners or any third party for harm, injury, loss, or damage suffered because of any action taken or omitted to be taken by any member of the Board serving as a Board member in good faith if:

- 1) The Board member exercised and used the same degree of care and skill as a prudent person would have exercised or used under the circumstances in the conduct of his or her own affairs, or
- 2) Took or did not take action in reliance upon advice of counsel or upon statements or information of other Unit Owners or employees of the Association which he or she has reasonable grounds to believe.

Section 2.07 **Indemnification.** Every Officer and Director shall be indemnified by the Association against all expenses, including counsel fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him or her as a consequence of his or her being made a party to any threatened, pending, or contemplated action, suit, or proceeding, whether civil or administrative, by reason of his or her being or having been a director or officer of the Association, except in such cases wherein he or she is adjudged guilty of willful and wanton misconduct or gross negligence in the performance of his or her duties or adjudged to have not acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Association and its Members, and with respect to any criminal action or proceeding, he or she is adjudged to have had no reasonable cause to believe that his or her conduct was unlawful; provided that, if a director or officer claims reimbursement or indemnification hereunder based upon his or her settlement of a matter, he or she shall be indemnified only if the Board of Directors (with any director seeking reimbursement abstaining) approves such settlement and reimbursement as being in the best interest of the Association and, if a majority of the Members request it, such approval is based upon an opinion of independent counsel supporting the propriety of such indemnification and reimbursement. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights such director or officer may have. The Board of Directors shall notify all Members that it has approved an indemnification payment at least ten (10) days prior to making such payment.

ARTICLE III. MANAGERS

Section 3.01 **Appointment and Removal.** The Manager or managing agent shall be appointed and/or removed by the Board or by the Unit Owners.

Section 3.02 **Scope of Authority and Duties.** The Manager shall generally operate and manage the Condominium for and on behalf of the Unit Owners and shall have such other powers and authority as the Board may designate. If there is no Manager or if the Manager resigns, is terminated, or his or her contract expires and a successor is not

chosen, the Board shall perform all the duties of the Manager until a Manager shall be replaced.

Article IV. MANAGEMENT OF THE CONDOMINIUM

Section 4.01 The Board of Directors shall have all powers necessary and allowed by the Governing Documents and Montana law to manage and administer the affairs of the Association and the Condominium and to maintain the Condominium.

Section 4.02 In addition to these general powers, the Board shall have the following specific powers and duties:

- A. To convene annual and special meetings and to conduct elections of the Board.
- B. To promulgate and adopt rules and regulations for the use of the Common Elements and for the occupancy of the Units, and to establish a schedule of fines for breach of said rules and regulations. Such rules must be approved by a majority of the Unit Owners present in person or by proxy at any regular or special meeting of the Association.
- C. To prepare an annual budget for the Condominium's Common Expenses and to submit such budget to the Unit Owners prior to the date of the annual meeting. Such budget shall include a reserve fund in an amount adequate to repair and replace major capital items in the normal course of operations without the necessity of Special Assessments, provided that the amount set aside annually for reserves shall not be less than ten percent (10%) of the budget for that year unless the reserve requirement is waived annually by a majority of the Aggregate Interest present in person or by proxy at a meeting of the Unit Owners.
- D. To levy and collect assessments from the Members in accordance with Article VII of the Declaration and to use the proceeds thereof for the purposes of the Association.
- E. To set the terms and amounts to be charged for late payment of Assessments or other amounts owed by any Unit Owner to the Association.
- F. To establish a bank account for the Condominium, to keep therein all funds of the Association, and to designate and delegate authority to a person or persons who may withdraw monies from such account.
 - 1) The Manager or any member of the Board or Association handling Association funds or having power to withdraw or spend such funds shall be bonded, and shall maintain records of the financial affairs of the Condominium.
 - 2) Such records shall also detail all Assessments made by the Association and the status of payments of said Assessments by all Unit Owners.

- 3) All records shall be available for examination in accordance with Section 2.05.
- G. To carry insurance and collect and allocate the proceeds thereof.
- H. To restore, repair, or rebuild the Condominium, or any portion thereof, and any improvements located thereon, in accordance with Article XI of the Declaration.
- I. To contract for and employ persons, firms, corporations, or other agents to assist in the management, operation, maintenance, and administration of the Condominium.
- J. To delegate to the Manager the authority to conduct Condominium business; such delegated authority shall be precisely defined with ultimate authority at all times residing in the Board.
- K. To acquire, maintain, and improve, and to buy, operate, manage, sell, convey, assign, mortgage, grant easements, or lease any real or personal property (including any Unit, easement, right-of-way, or license) on behalf of the Association in furtherance of any of the purposes of the Association.
- L. To borrow money and issue evidences of indebtedness in furtherance of any and all of the purposes of the business of the Association, and to secure the same by mortgage, pledge, or other lien on property owned by the Association; provided, however, that any such action shall also be approved by affirmative vote of more than seventy-five percent (75%) of all of the Unit Owners.
- M. To establish and supervise such committees and advisory positions as it deems necessary, convenient, or desirable and to appoint a person or persons thereto for the purpose of implementing the administration of the Condominium and to delegate to such committees and advisory positions any functions or responsibilities which are not by law or the Governing Documents required to be performed by the Board.
- N. To make rules and regulations and/or to enter into agreements with institutional lenders the purposes of which are to obtain mortgage financing for Unit Owners which is acceptable for purchase by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association and/or any other agency of the federal government or the State of Montana.
- O. To enforce the provisions of the Declaration, the Bylaws, the Articles of Incorporation, and rules and regulations of the Association as may hereafter be adopted.
- P. To assert, defend, or settle claims on behalf of the Members with respect to the Condominium.

- Q. In general, to enter into any kind of activity, to make and perform any contract, and to exercise all powers necessary, incidental, or convenient to the administration, management, maintenance, repair, replacement, and operation of the Condominium and to the accomplishment of any of the purposes thereof not forbidden, and with all powers conferred upon a nonprofit corporation by the laws of the State of Montana.

ARTICLE V. AMENDMENT OF BYLAWS

Section 5.01 These Bylaws may be amended at any regular or special meeting of the Association providing that a copy of the proposed revision is included in the notice of such meeting. Upon a vote of over 75% of the Unit Owners, the amendment shall be declared adopted. The Secretary or Manager shall, as soon as practicable after adoption, prepare a copy of these Bylaws as amended for certification by the Chairman and Secretary of the Association. Such amended and certified Bylaws shall then be filed and recorded in the office of the County Clerk and Recorder of Gallatin County, State of Montana. The Bylaws as amended shall become effective at the time of such recording.

ARTICLE VI. DUE PROCESS

The Association or its agent shall also have access to each Unit and any Limited Common Elements appurtenant thereto at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Elements or to another Unit. It shall be the responsibility of each Unit Owner to provide means of access, and if the Unit Owner fails to provide such access, the Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such Unit Owner for any necessary damage to his or her Unit and any Limited Common Elements appurtenant thereto caused thereby or for repair or replacement of any doors or windows damaged in gaining such access.

Section 4.04 **Structural Easements.** Every portion of a Unit which contributes to the structural support of one or more of the Buildings shall be burdened with an easement of structural support for the benefit of the Common Elements and the other Units.

In the event any of the Buildings or any portion thereof are destroyed and then reconstructed, as provided in Article XI, the Unit Owners agree that minor encroachments of parts of the General Common Elements or Limited Common Elements because of such reconstruction shall be permitted and that an easement for such encroachment and the maintenance and repair of the same shall exist.

Article V

OWNERSHIP

Section 5.01 **Compliance with Governing Documents.** All present and future Unit Owners, mortgagees, lessees, and all other persons who may in any manner use, enter upon or acquire any interest in the Condominium, shall be subject to and comply with the Unit Ownership Act, the Declaration, the Bylaws, and the Articles of Incorporation. The acceptance of a deed or conveyance, the taking of a mortgage, the execution of a lease, the act of occupancy of a Unit, or presence in the Condominium shall constitute an acceptance of the provisions of these instruments and an agreement to comply therewith. Failure to comply with any of the terms of the Declaration, the Bylaws, the Articles of Incorporation, or the duly adopted Rules and Regulations of the Association, shall be grounds for relief as provided in Article XII.

Section 5.02 **Transfer of Units.** A Unit Owner shall notify the Association of any transfer, by sale or otherwise, of his or her Unit within ten (10) days of the date of the same. Said notices shall include such information and be in such form that the Association may send all necessary notices to the person shown in the Association's records as the owner of said Unit, and said notice shall be binding as to any other owner of said Units where the Association has not been notified as provided herein.

Additionally, each Unit Owner shall have a percentile undivided interest in the General Common Elements as set forth on Exhibit C. Such percentage represents the Unit Owner's ownership interest in the General Common Elements, and his or her liability for Common Expenses. Each Unit Owner shall also own, as appurtenant to his or her Unit, an undivided percentage interest in any Limited Common Elements determined according to the following formula:

$$\begin{array}{r} \text{Unit Owner's} \\ \text{Percentage Interest in a} \\ \text{Limited Common Element} \end{array} = \frac{\begin{array}{r} \text{Exhibit C Square Footage of the} \\ \text{Unit benefited by the Limited} \\ \text{Common Element} \end{array}}{\begin{array}{r} \text{Exhibit C Square Footage of all} \\ \text{Units benefited by the Limited} \\ \text{Common Element} \end{array}}$$

A. **Prohibition on Partition:**

- 1) **Common Elements:** The Common Elements shall remain undivided, except as provided below in this Section 5.04. No Unit Owner shall bring any action for partition, it being agreed that this restriction is necessary in order to preserve the rights of the Unit Owners with respect to the operation and management of the Condominium. Any conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an individual Unit Owner's interest in the Common Elements shall be void unless the Unit to which that interest is attached is also included in the transfer.
- 2) **Units:** No Unit may be divided or subdivided into a smaller Unit, nor any portion thereof sold or otherwise transferred, except as provided below in this Section 5.04; judicial partition by sale of a single Unit owned by two or more persons and division of the sale proceeds is not prohibited hereby.

B. **Removal or Partition Allowed:** Big Sky Hidden Village Condominium may be removed from condominium ownership, and may be partitioned or sold, only upon compliance with all of the following conditions:

- 1) The Board of Directors of the Association must approve the plan of removal, partition, or sale, including the details of how any partition or sale shall be accomplished, and how the property or funds shall be distributed.
- 2) The plan of removal, partition, or sale must be approved as provided in the Montana Unit Ownership Act. If approval for any of the foregoing is not required by the Unit Ownership Act, then approval shall be required from at least ninety percent (90%) of the Unit Owners based on percentile ownership of Common Elements. Upon obtaining such approval, the Board shall be empowered to implement and carry out the plan of removal, partition, or sale.

Article VI

Section 6.01 **Association.** The owners' association for the Big Sky Hidden Village Condominium shall be the Big Sky Hidden Village Owners Association, Inc. Pursuant to Montana law, the Association shall operate under the Bylaws.

Section 6.02 **Membership.** Each and every Unit Owner shall automatically, upon becoming a Unit Owner, be a Member of the Association, and shall remain a Member thereof until such time as the ownership ceases for any reason, at which time the membership in the Association shall automatically cease. Membership in the Association shall not be transferred, encumbered, pledged, or alienated in any way, except upon the sale or other transfer of title of the Unit to which it is appurtenant, and then only to the purchaser or transferee. On any transfer of title to a Unit, membership passes automatically with title to the transferee. No Member may resign his or her membership.

Section 6.03 **Management; Powers and Duties.** It shall be the function of the Association, acting through the Board, to manage the Condominium by carrying out the duties, and exercising the powers, set forth in the Governing Documents, as well as the powers granted to a nonprofit corporation under 35-2-118 MCA, including without limitation:

- A. The Association shall adopt and may amend Bylaws for the governance of the Association.
- B. The Association may adopt reasonable rules not inconsistent with this Declaration and the Bylaws relating to the use of the Common Elements and all facilities thereon, and the conduct of Unit Owners and their renters and guests with respect to the Property and other Unit Owners. The Association may establish a schedule of fines to be imposed upon a Unit Owner for breach of such rules by the Unit Owner or his or her guests or renters. Any such fines must be approved by a majority of the Unit Owners present, in person or by proxy, at any regular or special meeting of the Association. Written copies of the rules and any schedule of fines shall be furnished to the Unit Owners. The Association may establish move-in fees

and such other fees as may reasonably be necessary for the operation of the Association.

Section 6.04 **Vote.** Each Unit Owner shall have and exercise such voting rights as set forth in the Bylaws.

Article VII

ASSESSMENTS AND LIENS

Section 7.01 **Assessments.**

A. **Authority to Levy Assessments:** The Association shall levy assessments upon the Unit Owners in the following manner and for the following reasons:

1) **Annual Assessment:** As part of the regular, annual business meeting of the Association, the Association shall establish and levy Annual Assessments in an amount sufficient to raise the funds needed to perform the duties of the Association during each fiscal year, including but not limited to:

- (a) the repair, replacement, insurance, general maintenance, management, and administration of General Common Elements;
- (b) the fees, costs, and expenses of the Manager;
- (c) taxes on General Common Elements; and
- (d) the share of any Special Improvement District Assessments attributable to the Unit Owners.

The Annual Assessment shall also include a portion for reserves, as the Board considers appropriate, to adequately meet the costs of future repair, replacement, or additions to the General Common Elements.

2) **Special Assessments:** The Board at any time may levy a Special

Assessment for any purpose contemplated by this Declaration or the Bylaws or set out in the Unit Ownership Act.

- 3) **Restrictions on Annual or Special Assessments:** The Board may not impose an Annual Assessment which is more than twenty percent (20%) greater than the Annual Assessment for the preceding fiscal year, or levy Special Assessments which exceed ten percent (10%) of the budgeted gross expenses of the Association for that fiscal year, without the affirmative vote of a majority of the Aggregate Vote.
 - 4) **Specific Assessments:** In accordance with Section 9.03.B, the Board may levy a Specific Assessment against any Unit Owner and his or her Unit for the cost of repair, maintenance, or replacement of Limited Common Elements appurtenant to the Unit. Such Specific Assessment shall be calculated according to the formula set forth in Section 5.03.
- B. **Allocation of Assessments and Profits:** Annual Assessments and Special Assessments shall be charged to and distributed among the Unit Owners according to the percentages set forth in Exhibit C. A Specific Assessment may be levied on any individual Unit. Any surplus of Common Expense payment by Unit Owners over the actual expenses (including the reserve for contingencies and replacements) during a fiscal year of the Association shall be applied towards Common Expenses for the following year or shall be applied in any other manner which shall benefit the Association and which, on the basis of United States Federal Income Tax Law, regulations, and interpretations existing from time to time, in the sole discretion of the Board, is most likely to avoid taxation of such surplus, provided that such application is consistent with the proportional interest of all the Unit Owners, and is not precluded by the terms of the Act, as amended from time to time.
- C. **Obligation to Pay Assessments.** Each Unit Owner, by acceptance of a deed, is deemed to covenant and agree to pay all Assessments levied by the Association. The amount of the Common Expenses assessed against each Unit Owner shall be a lien on the Unit, as set forth below, and shall be the personal and individual debt of the Unit Owner. No Unit Owner may exempt himself or herself from liability for an Assessment by waiver of the use or enjoyment of any of the Common Elements or by abandonment of his or her Unit.
- 1) **When Due:** All Assessments shall be due thirty (30) days from the date of mailing of such Assessments and may be payable in installments, monthly or quarterly, at the option of the Board.
 - 2) **Delinquent Payments:** All Assessments that are not paid within thirty (30) days from the date they are due and payable become delinquent and are subject to interest, late charges, and costs of collection, including attorneys' fees. The Association or Manager

shall have the responsibility of taking prompt action to collect any unpaid Assessment that becomes delinquent. The right to vote of a Unit Owner who is delinquent in the payment of Assessments shall be suspended without notice and hearing.

- 3) **Notice:** A First Mortgagee, upon written request as provided in Section 10.04, will be entitled to written notification from the Association of any default in the performance by the individual Unit Owner of any obligation under the Governing Documents which is not cured within sixty (60) days.

Section 7.02 **Lien for Assessments.** The Association shall have a lien upon each Unit to secure payment of delinquent Assessments, as well as interest, late charges (subject to the limitations of Montana law), and costs of collection, including attorneys' fees. Such lien shall be superior to all other liens, except liens which would, by law, be superior. The Association may foreclose upon its lien or otherwise enforce its right to payment by any process allowed under law. To evidence such lien, the Association shall prepare a written notice of lien setting forth the amount of such unpaid indebtedness, the amount of accrued interest and late charges thereon, the name of the Unit Owner, and a description of the Unit. Such notice shall be signed and verified by one of the officers of the Association or by the Manager, or his or her authorized agent, and shall be recorded in the Office of the Clerk and Recorder of Gallatin County, Montana.

- A. Such lien shall attach from the date of recording such notice.
- B. Such lien may be enforced by the foreclosure of the defaulting Unit Owner's Unit by the Association in the manner provided in the Unit Ownership Act and as provided by the foreclosure of a mortgage on real property upon the recording of a notice of claim thereof. In any such foreclosure the Unit Owner shall be required to pay a reasonable rental for the Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same.
- C. Suit to recover a money judgment for unpaid Common Expenses or other Assessments shall be maintainable by or on behalf of the Association without foreclosure or waiving the lien securing the same. In any such proceeding the Unit Owner may be required to pay the costs, expenses, and attorneys' fees incurred in filing a lien, and in the event of foreclosure proceedings, additional costs, all expenses, and reasonable attorneys' fees incurred.

Section 7.03 **Unit Owner Arrearage and Right of Set-Off.** When a Unit Owner is in arrearage to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Unit Owner's Unit under a written lease or rental agreement and the tenant, after receiving the notice, shall deduct from rental payments due the Unit Owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not be a breach of the rental agreement or lease by the tenant.

- Section 7.04 **Bidding at Foreclosure:** The Association shall have the power to bid on a Unit at a foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the votes appurtenant to, convey, or otherwise deal with the same. Any lien holder holding a lien on a Unit may pay, but shall not be required to pay, any unpaid Assessments payable with respect to any such Unit. Upon such payment, such lienholder shall have a lien on the Unit for the amounts paid of the same priority as the lien of his or her encumbrance without the necessity of having to file a notice or claim of such lien.
- Section 7.05 **Unpaid Assessments, Mortgagee:** Where a lien holder or other purchaser of a Unit obtains title to the Unit as a result of foreclosure of the first mortgage, such acquirer of title and his or her successors and assigns shall not be liable for the share of Common Expenses or Assessments by the Association chargeable to such Unit which became due prior to the acquisition of title to such Unit by such acquirer. Such unpaid share of Common Expenses or Assessments shall be deemed to be Common Expenses collectable from all of the Units including such acquirer, his or her successors and assigns.
- Section 7.06 **Statement of Unpaid Assessments.** The purchaser of any Unit is entitled to a written statement from the Association setting forth the amount of unpaid Assessments against the seller or grantor of said Unit. In the event the purchaser shall request such written statement, the purchaser shall not be liable for, nor is the Unit conveyed or granted subject to a lien for, any unpaid Assessments against the seller or grantor in excess of the amount set forth in the written statement.
- Section 7.07 **Construction Liens.** Each Unit Owner shall indemnify and hold harmless the Association and each of the other Unit Owners against any liens filed in connection with construction performed or labor, materials, services, equipment or other products incorporated into the Unit Owner's Unit at such Unit Owner's request.

Article VIII

Section 8.06 **Nuisance.** No unlawful, noxious, or offensive activity shall be carried on in any Unit or in the Common Elements nor shall anything be done therein which may be or become an annoyance or nuisance to the other Unit Owners, their guests or renters; including without limitation any offensive playing of any musical instrument, radio, television, or other amplified sound or the operation of appliances or machinery inside or outside of any Unit. No Unit Owner, guest, or renter shall store any dangerous or explosive materials in a Unit or in the Common Elements. Each Unit Owner, guest, and renter shall comply with all valid laws, zoning ordinances, and regulations of all governmental bodies having jurisdiction thereof.

Section 8.07 **Antennas and Wiring.** No outside television antenna, aerial, satellite dish, or radio tower shall be erected, constructed, or placed on any Common Element, except for those installed by a licensed public or quasi-public utility or cable franchise with the approval of the Board, or as allowed by law. - Section 8.10 **Automobile Parking; Vehicle Repair.** The General Common Elements include parking areas for automobiles of Unit Owners and their designees. Use and assignment of parking spaces shall be pursuant to regulation by the Association, provided, however, that no change in designation of parking spaces for the benefit of any Unit Owner which discriminates against another Unit Owner shall be made without the latter's consent. No part of the Common Elements shall be used for repair, construction, or reconstruction of any vehicle, boat, or any other item or thing except in an emergency. The Association shall adopt rules and regulations regarding parking which are consistent with this Section.
- Section 8.11 **Storage of Waste Materials.** All garbage, trash, and accumulated waste material shall be placed in appropriate covered trash containers.

- 2) **Decoration:** Each Unit Owner shall have the exclusive right to paint, repaint, tile, wallpaper, or otherwise decorate the inner surfaces of the walls, ceilings, floors, windows, and doors bounding his or her Unit, so long as any such decorating does not impair the structural or acoustical integrity and mechanical systems nor lessen the support of any portion of the Building.

- B. **Boundaries:** Any change in a Unit's boundary walls must be equal to or an improvement upon quality of design and construction of the existing boundary walls and comply with all of the following:
- 1) Any change in the boundaries of a Unit may not encroach upon the boundaries of the Common Elements or the boundaries of another Unit, except by amendment to this Declaration, which amendment shall:

- A. **General Common Elements:** The Association shall take all necessary steps, including, but not limited to, painting, lawn care, structural and/or roof repairs, cement repairs, snow removal, and replacement or repair of the General Common Elements to ensure that the Condominium does not unnecessarily deteriorate. The Board of Directors shall inspect the Condominium each year and proceed with any necessary maintenance or repairs. If the Board of Directors does not make an annual inspection and/or proceed with any necessary maintenance or repairs, any mortgagee or beneficiary of any trust indenture has the right to order such work done and bill the Association therefor, on the condition that said lienholder provides written notice to the Association of such intent and provides the Association a reasonable time to perform such work. Any lienholder shall, upon written request, have the right to join in the annual inspection made by the Board of Directors.
- B. **Limited Common Elements:** In the event a Unit Owner fails, after receiving two (2) written notices from the Association, to maintain, repair, or replace any Limited Common Element appurtenant to his or her Unit, the Association may undertake the maintenance, repair, or replacement of that Limited Common Element and levy a Specific Assessment against the Unit Owner for the cost of such maintenance, repair, or replacement.

Article X

INSURANCE

Section 10.01 Insurance Coverage. The Association shall obtain and maintain insurance coverage as set forth in this Article. If such insurance is not reasonably available, or if any policy of such insurance is canceled or not renewed without a replacement policy, or if the Board determines that good cause exists that any insurance described herein not be maintained, the Board shall promptly cause notice of that fact to be delivered to all Unit Owners and to "Eligible First Mortgagees," as defined below, at their respective last known addresses.

- A. **Property Insurance:** The Association shall maintain special form property insurance coverage on the Condominium for covered causes of loss (or such equivalent coverage as may hereafter be customarily offered in the insurance industry) in an amount not less than the full insurable replacement cost of the insured property (as determined by the Board at the time insurance is purchased and at each renewal date, less applicable deductibles), exclusive of land and other items normally excluded from property insurance policies.

- B. **Liability Insurance:** The Association shall maintain commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use, or management of the Condominium, insuring the Board, the Association, the Manager, and their respective employees and agents. Unit Owners shall be included as additional insureds but only for claims and liabilities arising in connection with the ownership interest in, existence, use, or management of the Common Elements, or membership in the Association. The insurance shall cover claims of one or more insured parties against the other insured parties.
- C. **Directors and Officers Insurance:** The Association shall maintain Errors and Omissions insurance for the Directors, Officers, and Managers, in amounts to be determined by the Board.
- D. **Fidelity Insurance:** The Association shall maintain fidelity insurance on all persons who control or disburse funds of the Association. Coverage shall not be less in the aggregate than two months' current annual Assessments plus reserves, as calculated from the current budget of the Association. Any person employed as an independent contractor by the Association, including the Manager, shall be an insured employee in said fidelity insurance policy.
- E. **Other Insurance:** The Board shall procure such other insurance as the Board shall determine from time to time to be desirable and as may be required by the Federal and State laws.

Section 10.02 **Unit Owners' Policies:** Each Unit Owner shall maintain, at a minimum, property insurance coverage for his or her Unit at full replacement value of the Unit at such Unit Owner's sole cost and expense. Each Unit Owner shall provide a certificate of insurance proving such continuous coverage to the Association upon request.

Section 10.03 **Administration of Association's Insurance Coverages.** All insurance policies upon the Condominium shall be purchased by the Association and shall be insured by an insurance company authorized to do business in Montana.

- A. The named insured shall be the Association individually and as agent for the Unit Owners without naming them. Such policies shall provide that payments for losses thereunder by the insurer shall be paid to the Association or to an insurance trustee appointed by the Board.
- B. The Association shall furnish one copy of each insurance policy and of all endorsements thereto to each Unit Owner, or Mortgagee of a Unit Owner, upon request.
- C. All premiums upon insurance purchased by the Association shall be Common Expenses, except that the amount of increase in the premium caused by a Unit Owner shall be assessed against the Unit Owner.

Section 10.04 **Eligible First Mortgagees; Notice.** A First Mortgagee who provides a written request as specified herein, delivered personally or by certified mail, first-class

postage prepaid, return receipt requested, to the Association's registered agent, thereby becomes an "Eligible First Mortgagee" and will be entitled to written notice of any condemnation loss or any casualty loss of which the Association has notice which affects a material portion of the Condominium or which affects any Unit on which there is a first mortgage held, insured, or guaranteed by such Eligible First Mortgagee. The written request as required under this Section shall clearly state the legal description and address of the Unit to which the mortgage relates, as well as the name, mailing address, telephone number, and e-mail address of the person who should receive the notices for the above listed actions. It is the sole obligation of the Eligible First Mortgagee to keep this information up to date with the Association and provide notice as provided herein to the Association when this information changes. The Association will not be in default for failure to provide the above listed notices if the Eligible First Mortgagee does not provide the Association with accurate information. Any written notice required under this Section to be provided by the Association to an Eligible First Mortgagee shall be in writing and shall be deemed to have been duly given if delivered personally, electronically transmitted to the e-mail address provided by the Eligible First Mortgagee, or, if sent by certified mail, first-class postage prepaid, return receipt requested to the address provided by the Eligible First Mortgagee.

Article XI

RECONSTRUCTION

Section 11.01 **Repair after Casualty.** If any part of the Condominium shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

- A. **Lesser Damage:** If a Unit or Units are found by the Board to be tenantable after the casualty, the damaged property shall be repaired.
- B. **Greater Damage:** If a Unit or Units are found by the Board to be not tenantable after the casualty, the damaged property will be reconstructed or rebuilt, unless more than sixty-six and two-thirds percent (66 2/3%) of the Units are not tenantable, and sixty-six and two-thirds percent (66 2/3%) of the Unit Owners and sixty-six and two-thirds percent (66 2/3%) of the First Mortgagees vote against reconstruction, in which event the Property shall be subject to the applicable provisions of the Unit Ownership Act.

Section 11.02 **Plans and Specifications.** Any reconstruction or repair must meet all applicable building codes and be substantially in accordance with the plans and specifications for the original improvements, or if not, then according to plans and specifications approved by the Board and by not less than sixty-six and two thirds percent (66 2/3%) of the Aggregate Vote, and one hundred percent (100%) of the Unit Owners of all Units the plans for which are to be altered. Any such reconstruction not in accordance with the original plans and specifications must be set forth in an amendment to this Declaration, which amendment shall be prepared and filed in accordance with Section 9.01.B.

Section 11.03 **Responsibility.** The responsibility for reconstruction or repair after casualty shall be the same as for maintenance and repair of the Condominium.

Section 11.04 **Assessments.** If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair for which the Association is responsible, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the costs thereof are insufficient, Assessments shall be made against all Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments shall be levied as set forth in the Bylaws.

Section 11.05 **Construction Funds.** The funds for payment of costs of reconstruction or repair after casualty, which shall consist of insurance proceeds and funds collected by the Association from Assessments against the Unit Owners, shall be disbursed by the Board according to the contract of reconstruction or repair, which contract must have the approval of the Board and the Unit Owners involved. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be paid to the Association for the use and benefit of the Unit Owners.

Section 11.06 **Condemnation.**

- A. **Consequences of Condemnation; Notices:** If any Unit or portion thereof, or the General Common Elements or Limited Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, notice of the proceeding or proposed acquisition shall promptly be given to each Unit Owner and Mortgagee and the provisions of this Section shall apply.
- B. **Power of Attorney:** Each Unit Owner appoints the Association as attorney-in-fact for the purpose of representing the Unit Owners in condemnation proceedings and negotiations, settlements, and agreements with the condemning authority for acquisition of Common Elements, or any part thereof, by the condemning authority. The Board may appoint a trustee to act on behalf of the Unit Owners in carrying out the foregoing functions. Should the Association not act pursuant to this Section, the affected Unit Owners may act on their own behalf.
- C. **Condemnation of a Unit:** The proceeds from the condemnation of a Unit shall be paid to the Unit Owner or Mortgagee, as their interests may appear. Upon acquisition, unless the decree otherwise provides, the percentage of interest in the Common Elements appurtenant to the Unit are automatically reallocated to the remaining Units in proportion to their percentages of interest in the Common Elements before the taking. The Association shall promptly prepare, execute, and record an Amendment to this Declaration reflecting the reallocations. Any portion of a Unit remaining after a taking is thereafter a Common Element.

- D. **Condemnation of General Common Elements or Limited Common Elements:** If part of the Common Elements is acquired by condemnation, the portion of the award attributable to the Common Elements taken shall be paid to the Unit Owners based on their respective percentages of interest in the Common Elements, or to Mortgagees, as their interests may appear. Any portion of the award attributable to the acquisition of a Limited Common Element must be divided equally among the Owners of the Units to which that Limited Common Element was allocated at the time of the acquisition, or to Mortgagees, as their interests may appear. If the Board determines that a particular Unit Owner's interest in the Common Elements is diminished, with respect to other Unit Owners, by the acquisition of a Common Element, the Declaration may be amended to adjust that Unit Owner's liability for Common Expenses, or to remove the allocation of a Limited Common Element to that Unit Owner's Unit, as the case may be.

Article XII

UNIT OWNER DEFAULT; REMEDIES

Section 12.01 **Relief Available.** Any default by a Unit Owner shall entitle the Association or another Unit Owner to the following relief:

- A. Failure to comply with any of the terms or provisions of the Governing Documents or the Act shall be grounds for relief, which may include an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of Assessment), or any combination thereof, and such relief may be sought by the Association, or, if appropriate, by an aggrieved Unit Owner or Unit Owners.
- B. In any proceeding arising because of an alleged default by any Unit Owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (not limited to statutory fees) as may be determined by the Court. In no event shall any Unit Owner be entitled to recover costs and attorneys' fees (other than statutory fees) from the Association.
- C. The violation of any of the provisions of the Governing Documents or the Act shall also give the Association or its duly authorized agents the right, in addition to the rights set forth above, to enter upon the Common Elements or into any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Unit Owner in violation, any structure, thing, or condition existing or maintained contrary to the provisions of the Governing Documents or the Act.
- D. The violation of any of the provisions of the Governing Documents or the Act by any Unit Owner shall be grounds for assessment by the Association, acting through its duly constituted Board, of monetary fines for such violations. No fine may be assessed unless Rules and Regulations

establishing such fine have first been duly adopted by the Board and notice thereof given to all Unit Owners. Thereafter, fines may be assessed only after:

- 1) the Unit Owner has been afforded due process, as provided in the Bylaws; and
- 2) the Board has found that the violation has occurred.

E. All fines duly assessed may be collected in the same manner as provided in Article VII.

Section 12.02 **Failure to Enforce.** The failure of the Association or of any Unit Owner to enforce any right, provision, covenant, or condition which may be granted by the Governing Documents shall not constitute a waiver of the right of the Association or of any such Unit Owner to enforce such right, provisions, covenant, or condition in the future.

Section 12.03 **Rights Cumulative.** All rights, remedies, and privileges granted to the Association or any Unit Owner or Unit Owners pursuant to any terms, provisions, covenants, or conditions of the Governing Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies, or privileges as may be available to such party at law or in equity.

Article XIII
